## 1. General

In these conditions, reference to the Company shall mean Pegler Yorkshire. All quotations are made and all orders are accepted subject to these conditions. All other terms, conditions or warranties whatsoever are excluded from the contract or any variation thereof unless expressly accepted by the Company in writing. In the event of a conflict between these conditions and the specific terms and conditions of quotation then the latter shall prevail.

## 2. Electronic Trading

- a) If the Company and Buyer agree that electronic trading between them shall be a basis for order processing and invoicing then the Standard Interchange Agreement (1st Edition March 1989) of the EDI Association shall be incorporated into the contract by reference subject to these conditions.
- b) Electronic orders shall be valid if all the information agreed between the Buyer and the Company as being required is properly set out in the agreed format and the order is transmitted by the Buyer to the Company by reference to the correct identification code and is received by the Company when collecting its electronic mail from the relevant system.
- c) Each valid electronic order will be deemed accepted by the Company unless the Company communicates rejection of the order to the Buyer by electronic or other means (including telephone) within 24 hours of receipt. Acceptance of an order shall constitute a contract for sale and purchase to which these conditions and the Standard Interchange Agreement shall prevail.
- d) If the Company and the Buyer agree that invoicing may be done by electronic mail, then payment will be due 30 days after the date of electronic invoice unless agreed otherwise.

## 3. Delivery

- a) Any date for delivery named by the Company is an estimate only and in no circumstances shall the failure of the Company to deliver on or before the named date either entitle the Buyer to rescind or terminate the contract or make the Company liable in any way for the consequences of any delay.
- b) Tube orders for XPress are sent on specialist carrier, and will be delivered separately to your normal orders. Tube Orders are carriage paid for orders of £1,500 nett and above. For orders below £1,500 carriage charges apply.

- c) The Buyer does not rely on any statement or representations other than those which have been made in writing by the Company.
- d) The Buyer must give the Company immediate written notice of any defect in the goods. Such goods shall be returned to the Company and if proved to have been defective at delivery as a result of faulty materials or workmanship, the Company shall at its option replace or repair such goods. Defects in quality or dimension in any delivery shall not be ground for cancellation of the remainder of the order.
- e) Save for any liability for death or personal injury caused by the Company's negligence, the Company's liability in connection with defective goods shall be limited to the repair or supply of a replacement for the defective goods, and the Company shall not be liable for any other loss or damage including, but not limited to loss of profit, labour costs, damage to property, wasted expenditure or cost of mitigation.
